MEMORANDUM FOR: Executive Director  
FROM: Director of Central Intelligence  
SUBJECT: PFIAB's Second Semiannual Report

I would like to get responses to this before the end of the week. Larry Gershwin or [ ] could quickly treat the first issue. [ ] could handle the second, I believe Dewey Clarridge already has the ingredients for the response to the third issue, Bob Gates can get the fourth issue handled as well as the fifth. I guess the Community Staff would handle the sixth. The responses should consist of a quick commentary and quick report of what has been done and what is to be done with respect to the suggestions, together with a statement of future intentions.

  
William J. Casey
